
Letter: Help with groceries is appreciated

April 10, 2020

I want to give a public thank you to Safeway and Wild Rivers Market and Rumiano Cheese Factory.

These stores have gone above and beyond in helping me procure very much-needed groceries.

Deep heartfelt thanks to the manager and especially the assistant manager Zach for helping me get my groceries home! Wild Rivers Market for curbside Service!

And last but by no means last in my heartfelt thanks goes to Tiffany at Rumiano. She is such an inspiration in kindness.

Thank you to the rest of the staff at these essential businesses. We should all value these people and their importance in keeping us all fed.
